# Cubic Cascade

These feminine, shoulder-skimming earrings create an optical illusion that elongates the neck. The ombré crystal beads graduate from intense cobalt and shimmering sapphire to gleaming gold and sparkling iridescence.

# Step-by-step Instructions

01

Slide 1 bead onto an eye pin.

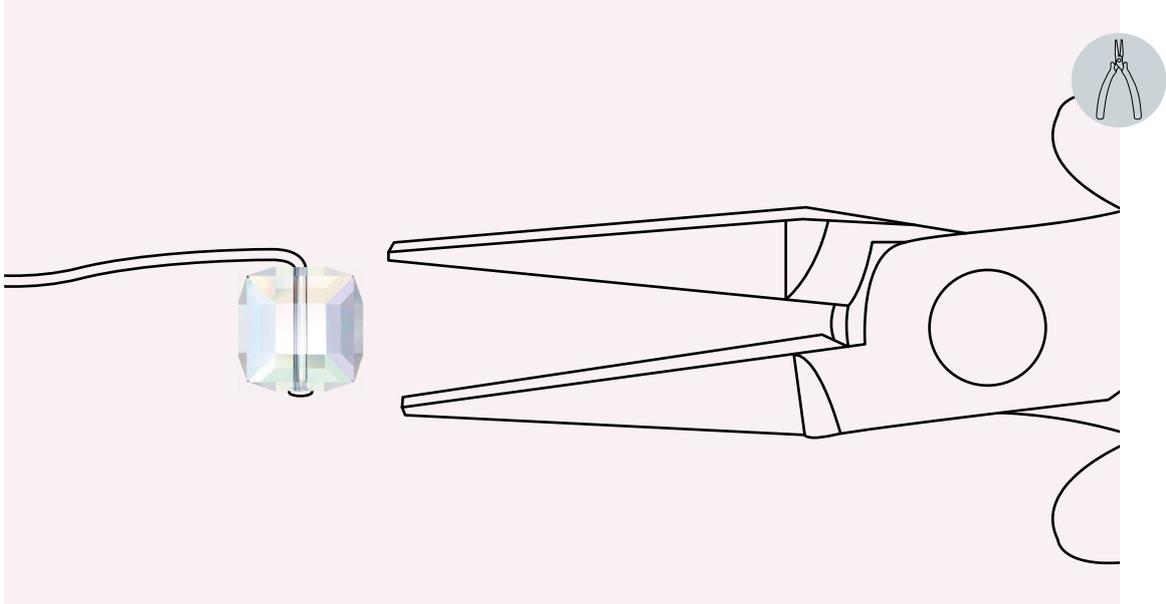

02

Using round-nose pliers, make a loop as shown and trim the excess wire.  
Repeat these steps for each of the beads except for the two that you want to use as end beads at the bottom end of the earrings.

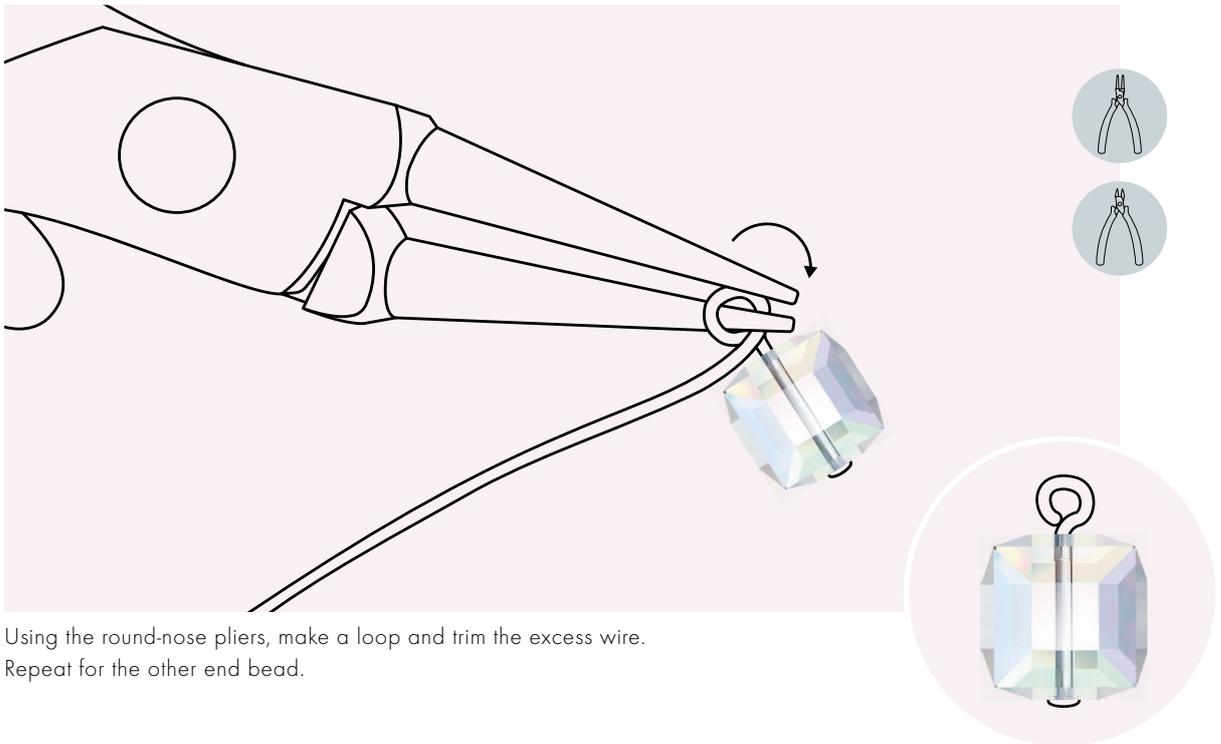

# Step-by-step Instructions

03

Slide the end bead onto a head pin.

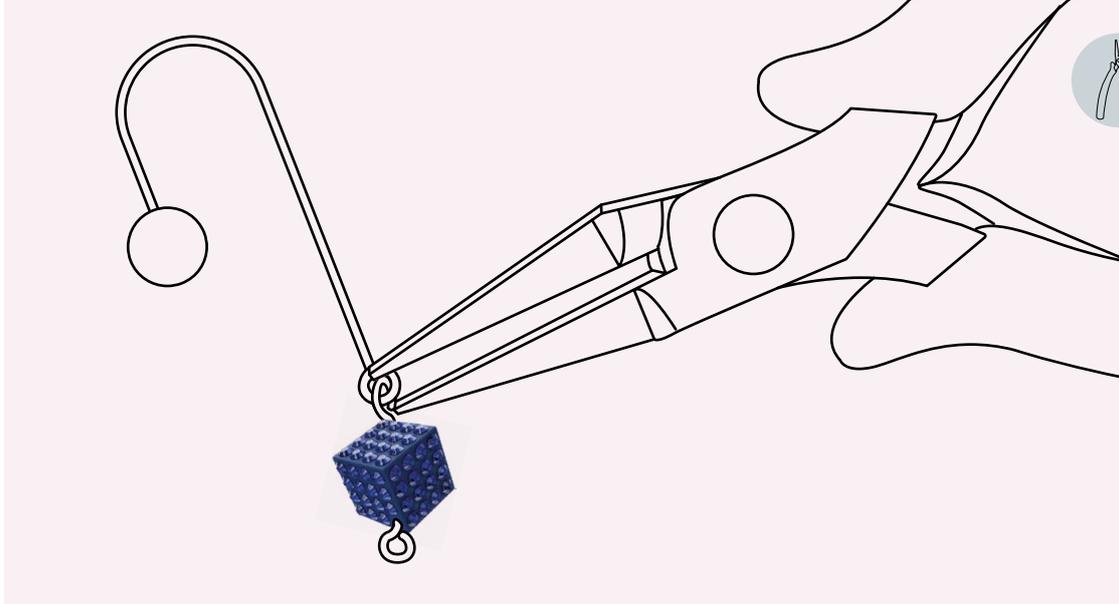

04

Using the round-nose pliers, make a loop and trim the excess wire.  
Repeat for the other end bead.

# Step-by-step Instructions

05

Attach the earring hook to the top.

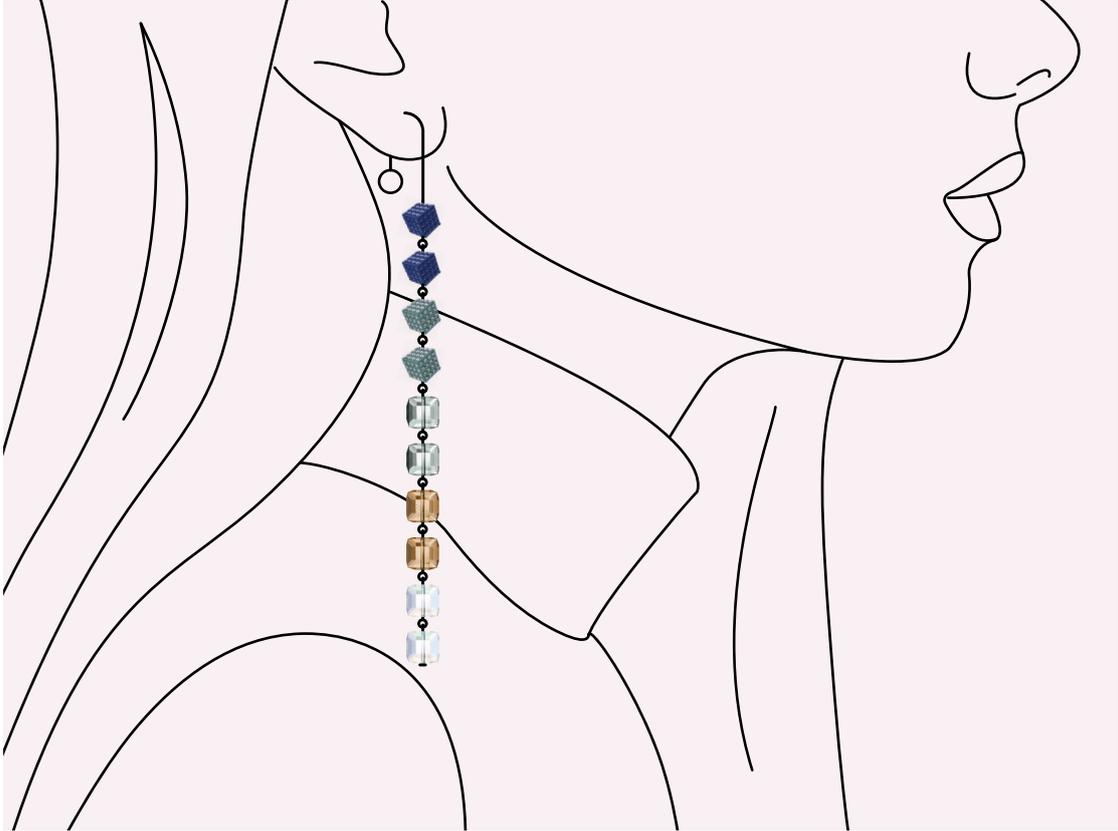

06

Loop the beads together in the color sequence as shown.
